LPRSA Comment Spreadsheet In Progress Rev5 20140801 w JL numbering edits.xlsx

Alice,

See the “LPRSA Prelim CSM Comments...” excel file for Ed’s comments in worksheet 1. The most up to date draft comment matrix is worksheet 2 in case you want to cross reference.

In the event its helpful, see “LPRSA Comment Spreadsheet...w JL numbering edits” for the comment matrix provided by CDM with Ed’s comments. This spreadsheet is messy, but note that Ed’s review and comments are highlighted in blue.
